**FEE SCHEDULE:**

**Laboratory Hours:**

Monday through Friday 8:00 am to 12:00, 1:00 pm 5:00 pm.

Samples are received as indicated by the following table. Every effort is made to ensure that reliable and accurate results are reported in a timely manner (turnaround time). If, however, expedited results are needed, there will be a surcharge for this service as shown in the table below.

Service	Turnaround			Received
	Routine	Rush	Urgent	
Bacteriological	48 hours	24 hours	Weekend Holiday	Mon. – Thurs. 8:00 am – 4:30 pm
Wastewater (BOD's)	10 days	5 days	Other than standard days.	Wednesday 8:00 am – 5:00 pm Thursday 8:00 am – 12 noon
Metals	10 days	3 days	Next day	Mon – Fri
General Chemical	10 days	5 days	2 days	Mon – Fri

Turnaround: Time elapsed between sample receipt and the issuance of a report

**Routine** sample prices are listed on the following pages.

**Rush** sample prices are routine prices **X2**.

**Urgent** sample prices are routine prices **X3**.

All Rush and Urgent samples must be approved by the lab manager. Laboratory workload, additional requirements and/or equipment failure may prolong estimated turnaround times.

**Pricing:**

The laboratory reserves the right to correct misprints or to change pricing in this fee schedule as necessary. The laboratory makes every effort to provide quality work and services at a reasonable price.
